

# Math Prep Course 2018

Things to remember while teaching

August 25 2018

**Feedback 1.** Write more on board. Have a combination of presentation and board work.

**Feedback 2.** Send pre-reads and/or videos to the topics to be covered in class.

**Feedback 3.** Dramatize your teaching.

**Feedback 4.** Look at people while teaching.

**Feedback 5.** Explain more complex ideas more.

**Feedback 6.** Provide class material in advance.

**Feedback 7.** Moderate your discussion. Think of class time.
